

THE UNIVERSITY OF IOWA
association for
computing machinery

The logo for the Association for Computing Machinery (ACM) is displayed in a dark grey, lowercase, sans-serif font. It is centered within a white circle, which is itself set against a light grey background. To the right of the circle, there is a dark grey triangle pointing to the right, partially overlapping the circle's edge.

acm

what the acm is:

ACM is the world's oldest and largest educational and scientific computing society.

what the acm is about:

Learning more about computers in a fun, friendly environment by

possible upcoming events:
